

**INSTRUCTIONS FOR
SCHEDULE A - APPLICATION FOR EXPERIMENTAL USE PERMIT
FORM NO. PR-203**

The Texas Pesticide Law and Regulations provides that the department address the use of experimental use permits for pesticides. All experimental use permits (EUP) will be issued and approved by the U.S. Environmental Protection Agency prior to submitting to the department for approval. To apply for Experimental Use Product, registrants must first submit the TDA “Application for Registration of Pesticides” form and include “Schedule A – Experimental Use Product Registration.”

Answer all questions on the application and submit to Product.Registration@TexasAgriculture.gov for processing. Put the EPA EUP Permit Number followed by the Company Name in the Subject Line. The application may be duplicated. For assistance in completing the application, call 1-800-TELL-TDA (835-5832) or directly (512) 463-7407. For the hearing impaired, call Relay Texas 1-800-735-2988 (voice) or 1-800-735-2989 (TDD/TT).
