

**INSTRUCTIONS FOR  
M-44 OR LIVESTOCK PROTECTION COLLAR  
TRAINING VERIFICATION AND EXAMS  
FORM NO. PA-405**

Answer all questions on the applicator portion of the application. Applicators who want to be certified in the M-44 or livestock protection collar (LPC) categories must first attend TDA training and then pass a TDA-administered exam. You must also possess a TDA commercial, noncommercial or private pesticide applicator license. You may take the M-44 or LPC training and test before you have a TDA license but cannot make applications until you obtain a TDA pesticide applicator license

**It is unlawful for any person to apply restricted-use or state-limited-use pesticides or regulated herbicides without a license.**

**SECTION A**

**1. TYPE OF LICENSE**

Check the box for the type of license you have and enter your TDA license number. If you do not yet have a TDA pesticide applicator's license, enter the type you will apply for

**SECTION B**

**1. APPLICANT INFORMATION**

Information entered into this form will be used to generate your license. Enter all applicable information, including Social Security number. Social Security numbers are required for the purposes of enforcing federal and state child support laws and default of guaranteed student loans. Failure to include the Social Security number will result in the denial of your application.

Include both physical and mailing addresses if they are different. If you already have a TDA license, you do not need to enter the contact information.
