

**INSTRUCTIONS FOR  
2 (ee) PRODUCT USE RECOMMENDATION  
FORM NO. PR-202**

The Texas Department of Agriculture follows U.S. Environmental Protection Agency criteria for Section 2(ee) Recommendations in Texas. Section 2(ee) allows a company to recommend use of a product that is labeled for use on a particular crop, animal or site in a manner not permitted by the labeling, as long as it is not prohibited on the label. Examples would be using smaller amount of the product, targeting a pest not on the label, applying by a different method or mixing with another pesticide or fertilizer. TDA must approve any written uses of 2(ee) Recommendations.

The application may be duplicated. For assistance in completing the application, call 1-800-TELL-TDA (835-5832) or directly (512) 463-7407. For the hearing impaired, call Relay Texas 1-800-735-2988 (voice) or 1-800-735-2989 (TDD/TT).
