# Prescribed Burning on Private Lands

***A workshop for Southeast Texas Woodland Owners***

**Big Thicket Fire Management Office**
**860 County Road 1040**
**Woodville, TX**
**May 21, 2015**
**8:00 AM - 4:00 PM**

This workshop is designed for private landowners and land managers interested in including prescribed burning as part of their land management plan. Come learn about the benefits of burning, Texas laws & liability issues, where to find technical & financial assistance, smoke management and much more. This workshop will give landowners the opportunity to talk with organizations and vendors that support fire management on private lands.

View the tentative workshop agenda. The workshop will be held rain or shine, so please plan accordingly. There is a outdoor field tour portion of the workshop, long pants and closed toed shoes are suggested.

The workshop content was developed by a team of practitioners
