NOTICE REGARDING THE INCLUSION OF CONFIDENTIAL, PROPRIETARY, TRADE SECRET, OR PRIVILEGED INFORMATION IN AN APPLICATION

Please take notice of the following:

If it is necessary for Applicant to include proprietary or otherwise confidential information in its application or other submitted information, Applicant must clearly mark and label all confidential, proprietary, trade secret or privileged material in 14 point or higher bold font on each page as it appears, and identify the specific exception to disclosure in the Texas Public Information Act (PIA) for each specific piece of confidential, proprietary, trade secret or privileged information. Additionally, all confidential, proprietary, trade secret, or privileged information must be segregated in a separate and discrete section of the application, which must be able to be conveniently separated and detached from the other sections of the application. Failure to properly label, identify, and segregate any confidential, proprietary, trade secret, or other privileged information in the application may result in all such information or material being disclosed as public information. Merely making a blanket claim that the entire application is protected from disclosure because it contains any amount of confidential, proprietary, trade secret, or privileged information is not acceptable and shall make the entire application subject to release under the PIA. In order to initiate the process of seeking an Attorney General opinion on the release of confidential, proprietary, trade secret, or privileged information, the specific provisions of the application that are considered by Applicant to be confidential, proprietary, trade secret, or privileged and confidential must be clearly labeled and segregated as described above. Any information which is not clearly identified as confidential, proprietary, trade secret, or privileged shall be deemed to be subject to disclosure pursuant to the PIA.

GENERAL INFORMATION

   a. The announcement of grant awards will be made by the date outlined in this RFA or as soon thereafter as practical. Selected applicants will receive a Notice of Grant Award (NOGA) letter and the Grant Agreement from TDA. The NOGA is not legally binding and a grant agreement must be fully executed.
   b. All grant awards are subject to the availability of appropriations and available funding, as well as necessary authorizations by the Texas Legislature.
   c. TDA reserves the right to fund multiple projects partially or fully. TDA reserves the right to negotiate individual elements of any application and to reject any and all applications. Where more than one application is awarded and is acceptable for funding, TDA may request cooperation between grantees or revisions/adjustments to an application in order to avoid duplication and to realize the maximum benefit to the state.

2. Applications.
   a. TDA reserves the discretion and right to reject all applications and is not liable for costs incurred by the applicant in the development, submission, or review of the application; all costs incurred by the applicant prior to the effective date of a grant award agreement, if any, shall be the sole responsibility of the applicant.
   b. TDA reserves the discretion and right to alter, amend, or clarify any provisions, terms, or conditions of this program or any grant awarded as a result thereof or to terminate this program at any time prior to the execution of an agreement, if TDA deems any such action to be in the best interests of TDA and of the State of Texas. The decision of TDA will be deemed administratively final in this regard.

3. Public Information.
   a. All applications submitted under this RFA and for this program are subject to release as public information unless the application or specific parts of any such application can be
shown to be exempt from the Texas Public Information Act, Chapter 552 of the Government Code.

b. The applicant is responsible for clearly designating any portion of the application that contains proprietary information and must state the reason(s) the information is designated as such. Failure to mark any information as proprietary or confidential will result in the release of information on the assumption that the applicant has deemed it is non-proprietary. In the event that a public information request for the application is received, TDA shall review the information deemed proprietary, provide notice to the applicant, and submit a request for opinion to the Office of the Attorney General for determination in accord with the Public Information Act, Chapter 552 of the Texas Government Code. TDA shall take no position on the issue and it is the applicant’s responsibility to file a brief supporting the request for opinion to withhold the proprietary or confidential information. Applicants are advised to consult with their legal counsel regarding disclosure issues and to take appropriate precautions to safeguard trade secrets or any other proprietary information.

4. Conflict of Interest.
All applicants are required to disclose any existing or potential conflicts of interest relative to the application submitted for consideration or funding under this grant program. Failure to disclose any such conflicts of interest, whether actual or potential, may result in the applicant’s disqualification from consideration for a grant award, or if after award, the immediate termination by TDA of any grant agreement.

GENERAL COMPLIANCE INFORMATION

1. Grantee (an applicant who receives a grant under this program) must comply with TDA’s reporting requirements and financial procedures outlined in the grant agreement. Any delegation by the grantee to a subcontractor of any duties and responsibilities imposed by the grant award must be approved in advance by TDA and shall not relieve the grantee of its responsibilities to TDA for their performance.

TDA and the SAO shall have access to the physical locations related to project activities.
