Statement of Purpose

This Request for Grant Applications (RFGA) is issued pursuant to the Texas Agriculture Code, Section 12.042. The Texas Department of Agriculture (TDA) hereby requests applications to help supplement and extend an eligible applicant's current home-delivered meal program for seniors and/or disabled Texans under the Texans Feeding Texans: Home-Delivered Meal Grant Program (HDM Program). Applicants include governmental agencies or qualifying non-profit organizations that deliver meals to homebound persons who are elderly and/or have a disability.

Eligibility

To be eligible for HDM Program funds, an applying organization must meet the following criteria:

1. Must be a governmental agency or a nonprofit private organization that is exempt from taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c)(3) of that code, that is a direct provider of home-delivered meals to the elderly or persons with disabilities in this state;
2. If a nonprofit private organization, must have a volunteer board of directors;
3. Must implement and enforce nondiscrimination practices;
4. Must have an accounting system or fiscal agent approved by the county in which it provides meals;
5. Must have a system to prevent the duplication of services to the organization's clients;
6. Must agree to use funds received under the HDM Program only to supplement and extend existing services related directly to home-delivered meal services;
7. Must have received a grant from the county (*see Grant Allocation section*) in which the organization provides meals;
8. Must submit a completed county resolution form, as provided by TDA;
9. Must strictly comply with HDM Program rules adopted by TDA (Tex. Admin. Code, Title 4, Part 1, ch.1, subch. O, §§1.950 - 1.962); program guidelines and policies; and the HDM grant application and agreement; and
10. Must provide a certificate (or equivalent document) of a current health inspection before grant funds are awarded.

For purposes of the HDM Program, the following definitions contained within Tex. Admin. Code, Title 4, Part 1, ch. 1, subch. O, §1.951 apply:

- "Approved Organization"--An organization that submitted an application under this subchapter that was subsequently approved by the Department.
- "Elderly" means an individual who is 60 years of age or older.

- "Disability" means a physical, mental or developmental impairment, temporarily or permanently limiting an individual's capacity to adequately perform one or more essential activities of daily living, which include, but are not limited to, personal and health care, moving around, communicating, and housekeeping.
- "Homebound" means a person who is unable to leave his or her residence without aid or assistance or whose ability to travel from the residence is substantially impaired.

Applicants should note that congregate meals are **not** eligible and will not be counted in the eligible meal calculation under the HDM Program. A congregate meal is a meal served in a group setting, not at an eligible individual's personal home.

Grant Recipients must carry out all activities described in their approved scope of work.

Funding Parameters

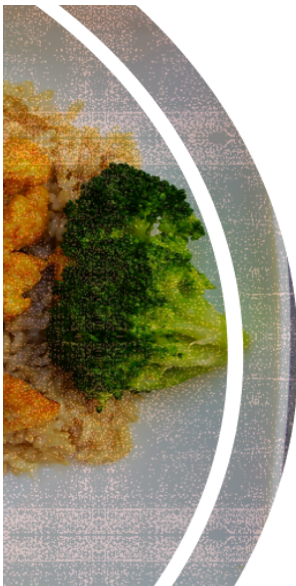

Grant awards, if any, under this RFGA are subject to the availability of funds. If no funds are appropriated or collected for this purpose, applicants will be informed accordingly. Calculated grant awards in the amount of \$250.00 or less will not be awarded.

Individual awards shall be calculated pursuant to the formula set out in §12.042 of the Agriculture Code, and as more particularly described in Tex. Admin. Code, Title 4, Part 1, ch.1, subch. O, §1.952.

TDA may deny, revoke, suspend, or withhold a grant award for misuse of grant funds, or failure to comply with any requirement of this program, including, without limitation, failure to:

1. have or utilize adequate intake processes and/or procedures, including intake forms, to qualify individuals as eligible for assistance in accordance with this program;

2. keep and maintain adequate client records, by county, that identify the names, addresses, and telephone numbers of all individuals qualified as homebound or disabled individuals eligible under this program;

10. keep and maintain a bank account in the name of the Approved Organization, including failure to keep and maintain adequate records pertaining to such bank account; or
11. keep and maintain adequate records of all expenses that an Approved Organization claims are allowable expenses.

TYPES OF RECORDS FOR IMPLEMENTATION

Grant Allocation Considerations

The following factors are considered in the equation when calculating each eligible entity's grant award.

Amount of the County Grant –

- Did your resolution provide the minimum requirement of .25 cents per county senior as of the most recent census?
- If there is more than one provider in your county, does each entity's resolution include a county grant and does the cumulative total of the county grants meet the minimum requirement of .25 cents per county senior?
- If the county grant is less, then the entity's portion of HDM will be proportionately reduced.
- Click [here](#) to access minimum contribution amounts.

Total Number of Eligible Meals

- This program is not a reimbursement of meals delivered the prior state fiscal year. The number of meals provided in the application are a basis for the calculation. Eligible Meals = Total meals delivered – Meals funded by HHSC/AAA

County Senior Population

- TDA utilizes the 2020 census numbers.

TDA will distribute funds after all eligible applications are processed and the awarded entity's grant agreement has been fully executed. In the event the amount of qualifying grants exceeds the amount of funds available, funds may be distributed on a pro rata basis.

Term of Funding or Duration of Projects

TDA anticipates that a Notice of Grant Award will be made in January 2026, or as soon thereafter as practical. All approved grant projects will have a grant term of February 1, 2026 to January 31, 2027.

Application Requirements

Applications will be accepted beginning September 1, 2025 and must be submitted in TDA's online Grant Application/ Management system "TDA-GO" no later than November 3, 2025.

Similar to all other expenditures, small equipment expenses must be allocated to all appropriate funding sources.
- d) **Building Occupancy** - TDA grant funds may be used to help pay for expenses related to building occupancy including, but not limited to, rent, utilities, building repairs, security or janitorial services.
- e) **Transportation** - Expenses directly related to the transportation of home-delivered meals are allowable under the TDA grant program. These expenditures include, but are not limited to, fuel, vehicle maintenance and parts, mileage reimbursement and delivery costs.

Expenses should be allocated appropriately among funding sources.
- g) **Other** - additional items may be charged to the TDA grant that directly contribute to the performance of the organization's home-delivered meals program. Allocate expenses appropriately among fund sources.

4. Ineligible Expenses. Certain expenses may be prohibited by state or federal law or determined to be ineligible by program guidelines. Examples of such expenditures include, but are not necessarily limited to, the following:

- a) Alcoholic beverages;
- b) Contributions-charitable or political;
- c) Capital assets - Capital assets include any equipment valued at \$5,000 or more;
- d) Entertainment;

Step 2: Complete Service Information

NOTE: If your organization serves more than one county, a separate application will be required for each additional county. For example, if you serve three counties, you will have three separate applications.

The screenshot shows the 'Service Information' page in the TDA-GO application. The left sidebar contains a navigation menu with options: Home, Searches, Forms, Application, Applicant Contact Information, Service Information (selected), Meal Number Documentation, Required Uploads, Certification, Tools, Landing Page, Add/Edit People, Status History, Modification Summary, Attachment Repository, Notes, and Print Document. The main content area is titled 'Service Information' and includes instructions: 'Please complete this page and press the save button. Required fields are marked with an *'. Below the instructions, there is a text box for 'An organization must submit one application per county...' and a list of four questions: 1. The County in which home-delivered meals were delivered: * (dropdown menu), 2. Does the applicant organization serve congregate meals in the county stated in Question #1? * (radio buttons for Yes/No), 3. Does the applicant organization serve home-delivered meals in multiple Texas Counties? (radio buttons for Yes/No), and 4. Total number of HOME-DELIVERED clients on your roster during the most recent State Fiscal Year, Sept 1 and Aug 31. * (text input field). The 'County Grant' field is also present, with a note: 'County Grant: Indicate the amount of the County Grant stated on the signed resolution from the county. *'. The 'Next Form' button is circled in red.

Finishing Service Information

Once this section is filled out entirely, select **Next Form** (Figure 22). TDA-GO will save this application section for you and then take you to the next section, **Meal Number Documentation**.

This screenshot is identical to the one in Figure 21, showing the 'Service Information' page. The 'Next Form' button at the bottom right is circled in red, indicating the next step in the process.

Figure 22. Next Form selection will take you to the next form

Step 3: Complete Meal Number Verification Form

It is essential that the meal numbers you enter are accurate. This information is used by TDA to calculate your organization's grant award. Providing incorrect data may result in your organization having to return funds if meal numbers are over-reported, or receiving a smaller grant if meal numbers are under-reported.

Please do not include any congregate meals in these rows.

If you need to add a funding source that is not already listed, please use the **+** button to add a new row.

Congregate meals are not eligible for consideration and should not be included in the total Home-Delivered Meals number. Applicants must separate home-delivered meals from congregate meals in order to avoid errors in grant calculations.

NOTE: If this number is miscalculated, includes congregate meals, includes meals from another County served, or other errors, the applicant will be required to repay TDA for all or part of the grant.

Congregate meals are not eligible for consideration and should not be included in the total Home-Delivered Meals number. Applicants must separate home-delivered meals from congregate meals in order to avoid errors in grant calculations.

NOTE: If this number is miscalculated, includes congregate meals, includes meals from another County served, or other errors, the applicant will be required to repay TDA for all or part of the grant.

TDA Approved Resolution for County Grant

When the Texas Legislature created the HDM Program, it included a requirement that “the county in which the organization provides meals must make a grant to the organization” and further details that the grant should be in an amount equal to 25 cents for each person at least 60 years of age who resides in the county or the resulting grant from TDA shall be proportionately reduced.

TDA has developed a County Resolution template that all applicants should use. Applicants should work with county officials to get this resolution approved through the applicable Commissioner’s Court in a timely manner prior to the application deadline.

NOTE: If the county prefers to utilize special paper or use a different font, this is acceptable as long as every single word from the approved resolution document is included.

At the end of the grant period, TDA will ask for a signed affidavit to ensure the county grant funds were received as indicated on the county's resolution.

Instructions on how to fill out the resolution correctly follows.

County Resolution Guidance

One of the above types of documentation must be sent in conjunction with submission of the HDM Program application; the most common documentation received by TDA is a Health Inspection Report.

NOTE: Health inspection report must not be expired. If it is expired or close to being expired, send an email confirmation from your health inspector of a scheduled appointment for the report to be updated. Once the inspection is complete, you will need to send a new copy to update the file.

TDA-GO New User Instructions

Step 1: User Access

An applicant must first register as a User in TDA's online Grant Application/Management system called TDA-GO. If the applicant organization is a new user to TDA-GO, proceed to **Step 2: TDA-GO New User Set Up**. If the applicant organization is already a User of the TDA-GO system and need to add additional personnel as New Users, please proceed to **Step 3: Adding Users and Assigning Roles**.

The TDA-GO system allows organizations to assign applicable security roles to different users. When a New User request is submitted, TDA will approve the user and apply the appropriate security role: Authorized Official, Project Director, and Consultant/Researcher.
