Policy Issuance 25-02 Phased Interim Monitoring

Beginning with grants awarded in Program Year 2025, TDA is implementing Phased Interim Monitoring. These grants will experience compliance monitoring reviews throughout the course of the grant period as specific program requirements are completed.

Policy Issuance 25-02 can be found on the Implementation Manual page of the TDA website: [Policy Issuance 25-02.pdf](#)

Upcoming Webinars

TDA encourages Grant Recipients and stakeholders to attend several upcoming webinars.

The CDBG Over Coffee series includes a short presentation and opportunity to ask questions on a specific topic – this month’s topic of federal Single Audit reporting requirements will be timely for many communities whose documentation is due in June. Next month’s Coffee will cover a federal labor standards requirement.

Two additional webinars are scheduled to introduce the Phased Interim Monitoring process described in the Policy Issuance 25-02
