HUD has released the 2026 Income Limits, used to determine eligibility of projects for Community Development Block Grant applications. TDA has updated the Income Survey Questionnaires posted to the TDA [Beneficiary Documentation](#) webpage.

The income released by HUD were effective May 1, 2026.

- A survey questionnaire completed using 2025 income limits between May 1, 2026, and May 15, 2026, may be submitted with the application or other survey documentation. TDA will review and determine whether an updated questionnaire is required.
- Survey questionnaires completed on or after May 16, 2026, must use the questionnaire that reflects 2026 income limits.

HUD has not yet released an updated LMISD dataset for 2026.
