### Organization Compliance – Single Audit Report (OCSAR)

TxCDBG reminder: The OCSAR FY2024 is due for many communities.

- The OCSAR is available through the [TDA-GO grant management system](#), where TDA has initiated the necessary reports. A step by step [How To Complete the OCSAR](#) is available on the TDA website.
- The scheduled CDBG Over Coffee webinar on Single Audit Reporting is postponed due to technical issues. For immediate questions, please send to [CDBGReporting@TexasAgriculture.gov](mailto:CDBGReporting@TexasAgriculture.gov).
- For Grant Recipients with fiscal years ending September 30, the OCSAR for FY2024 was due June 30. TDA will be reviewing compliance and placing open grants on hold following next week's webinar. **Be sure to submit the OCSAR as soon as possible to avoid a payment hold!**
- Registered TDA-GO users, including consultants, can check the status of the OCSAR for a community by navigating to the Reports menu, Grant Reports (External), OCSAR Report Status.
- For local officials authorized to approved payments but unable to access the OCSAR to report FY2024 and prior expenditures, please submit a [Support Ticket](#).
