### **Texas Department of Agriculture's Community Development Block Grant Program 2025-2026 Community Development Fund Project Priorities**

The Capital Area Council of Governments (CAPCOG) will hold a public hearing to receive input for the purpose of establishing regional project priorities for the Texas Department of Agriculture's (TDA) Texas Community Development Block Grant (TxCDBG) 2025-2026 Community Development (CD) Fund planning cycle. The public hearing will be held on Thursday, May 13, 2024, at 1:30 PM in the Pecan Room at CAPCOG located at 6800 Burleson Road, Building 310, Suite 165, Austin, Texas 78744. There will be an opportunity for oral and written public comment.

The TxCDBG CD Fund provides funding to non-entitlement communities to support public infrastructure projects and numerous other activities. Regional project priorities will be considered by TDA when scoring applications for the 2025-2026 CD Fund program. Public comments received during this hearing will be considered by CAPCOG's 2025-2026 Texas Community Development Block Grant Regional Priorities Advisory Subcommittee in developing its project priority recommendations for the Executive Committee.

CAPCOG encourages citizens to participate in establishing the 2025-2026 CD Fund project priorities. Contact Mason W.
