The NEW 2025-2026 Certified Administrator Test is now available on the TDA website: [Administrator Certification Test](#)

The test requires knowledge of the TxCDBG Implementation Manual, related TxCDBG forms, Survey Methodology Guide, and the TxCDBG Guide to Meeting a National Program Objective. All of these reference materials may be found on the TDA website at www.texasagriculture.gov/CDBG.

All TxCDBG grants must have a designated grant administrator that has passed the Certified Administrator test. Current certifications (based on the 2024-2025 test) will expire **January 1, 2026**. Please make plans to complete the new test prior to that date to ensure no interruption of grant management activities.
