### 2025 TxCDBG Administrator Workshop Registration

TxCDBG will host the 2025 Administrator Training Workshops in Austin, TX. This year's format will follow a hypothetical TxCDBG project from beginning to end. Participants will be expected to be familiar with the current TxCDBG Implementation Manual, found [HERE](#).

Additionally, TDA will offer optional, breakout sessions on the day following the Administrator Workshop:

- Environmental Review
- Build America, Buy America (BABA)
- Force Account

Space is available for 60 participants in each one-day session. Please be sure to register via the TxCDBG [Training and Events](#) webpage as soon as possible, so that we can plan for the appropriate number of attendees.
