TDA announces a webinar opportunity to provide feedback on the TxCDBG program

September 24, 2024	TxCDBG Stakeholder Consultation - Virtual	11am	Training and Events (texasagriculture.gov)
--------------------	--	------	---

Federal guidance for CDBG programs requires TDA to consult with stakeholders during the planning process to set program goals (every five years) and establish funding opportunities (annually). This year, TDA is conducting these consultations at a series of Kickoff Meetings for new grant recipients around the state, and through the above virtual consultation.

TDA staff will provide information on current TxCDBG goals, discuss program updates, and receive any public feedback.

On a related note, TDA will announce dates for the 2025 application webinar in the coming days.
