The annual TxCDBG Project Implementation Workshops are coming up soon. Two sessions will be offered, each covering the same material, over a two day period. These workshops are intended to provide new grant administrators with basic procedural information and experienced staff with reminders of important deadlines and common errors.

Both sessions will be held in person in Austin, Texas. There is no cost to attend, and registration is required on TDA's [TxCDBG Training webpage](#).

July 30-31, 2024	<b>TxCDBG Administrator Workshop</b>
August 20-21, 2024	<b>TxCDBG Administrator Workshop</b>
