RE: 2019 Downtown Revitalization and Main Street Programs Maximum Award

Dear Mr. Jensen,

The Texas Department of Agriculture (Department) proposes to revise the 2019 One Year Action Plan (OYAP) in order to increase the maximum award amount for the 2019 Texas Capital Fund (TCF) Main Street and Downtown Revitalization Programs.

The proposed revision would increase the maximum award for these programs from \$250,000 to \$350,000.

Since this change will not develop new activities or change the method of distribution connected to the 2019 annual action plan, the State of Texas is not required to substantially amend the 2019 OYAP.

Sincerely,

Suzanne Barnard  
State Director  
Texas Community Development Block Grant Program
