Application for Prequalification to Provide Administrative Services

IMPORTANT: The term "respondent" refers to the individual or firm responding to this RFQ. Responses to the items in Part 1 will be posted on TDA's website with the Approved Vendor List for Grant Administrative Services. Responses to the items in Part 2 will be disclosed to participating local governments during the project-based solicitation. The applicant must verify their eligibility through the System for Award Management (SAM) and demonstrate they are not listed on the government-wide exclusion list. Attach printout(s) of verification page with date. **With the exception of SAM verification, TDA will not accept or publish any attachments to the application.** A response is required for all questions.

Part 1

1. Provide a brief history or background of the respondent including number of years in the business of providing grant writing and/or grant administration services.

Public Management, Inc., established in 1982, is an employee owned, private consulting firm with over 40 years of experience operating in the state of Texas. With emphasis on assisting rural and sub-urban municipalities address their quality of life needs through planning, financing, and management initiatives, Public Management has developed a needs based approach to service delivery. Public Management was founded to help Texas communities navigate the challenges faced when pursuing prosperity for their cities and towns. We empower our clients to grow and improve the quality of life for their residents through sound planning, financing and management initiatives. We believe in the potential of every Texas city and town and exist to build vibrant and sustainable communities.

2. Describe the respondent's experience with the Community Development Block Grant (CDBG) Program and in particular the state CDBG program.

Public Management has been committed to aiding Texans since 1982. Our team collectively has decades of experience managing over 1,000 projects for more than 225 cities and towns across the State totaling over \$500 million. With projects ranging from sewer, water, streets, drainage, and planning, our people are equipped with the right tools and knowledge to ensure the successful follow through of a community's goals.

- 3. Describe the respondent's experience with the following:
 - a. Community wide infrastructure projects

Public Management has over forty years experience working with community wide infrastructure projects which include the determination and documentation of beneficiaries, project services area development and associated mapping. Community wide infrastructure projects that have been funded by our efforts range from water and sewer system improvements to street and drainage projects.

b. Direct beneficiary projects, such as housing rehabilitation or on-site sewer facility replacement

Public management has managed various housing rehabilitation and reconstruction programs, including multi-million dollar disaster recovery housing projects, which have impacted over 1,000 individuals and families throughout the State. Additionally, Public Management has facilitated several 1st time water/sewer projects for residents in cities and counties around the state which have proved to be asignificant benefit to these families as well as the communities that serve them.

c. Job creation programs, including Texas Capital Fund - Infrastructure/Real Estate

Since 1982, Public Management has managed over \$20 million dollars in Texas Capital Fund projects and has assisted in the creation of over 1,500 direct jobs. The economic impact of these projects have been a catalyst in many communities for future development and to initiate the elimination of slum and blighted conditions.

d. Projects involving multiple funding sources

Public Management routinely manages projects that have multiple funding sources. Whether the source of funds come from other agencies - which we have assisted in securing the funds - or from the local bonds and or partnering entities, our goal is to leverage every funding opportunity to ensure the greatest benefit for our client.

12. State the respondent's policy regarding affirmative action.

Public Management, Inc. maintains a policy of non-discrimination in all phases of employment and complies in full with all applicable laws. Specifically:

Equal Employment Opportunity

- a) Public Management will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. Public Management will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Public Management agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- b) Public Management will, in all solicitations or advertisements for employees placed by or on behalf of the Public Management; state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- c) Public Management will not discourage or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- d) Public Management will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives Application to Prequalify Grant Administrators Page 12 of 15 Public Management Inc. of the employers commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- e) Public Management will comply with all provisions of Executive Order 11246 of September 24, 1965, "Equal Employment Opportunity" and of the rules, regulations, and relevant orders of the Secretary of Labor.
- f) Public Management will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

Section 503 of the Rehabilitation Act (the "Act") - Handicapped Affirmative Action for Handicapped Workers

- a) Public Management will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. Public Management agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all employment practices such as the following: Employment, upgrading, demotion or transfer, recruitment, advertising layoff or termination rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- b) Public Management agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- c) In the event of Public Management's non-compliance with requirements of this clause, actions for non-compliance may be taken in accordance with rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- d) Public Management agrees to post in conspicuous places, available to employees and applicants for employment, notices in

a form to be prescribed by the company, provided by or through the employer. Such notices shall state the employers obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of applicants and employees.

- e) Public Management will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the employer is bound by the terms of Section 503 of the Rehabilitation Act of 1973, and is committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.
- 13. Provide any additional information that the respondent feels is essential to the respondent's statement of qualifications.

Public Management was founded to help Texas communities navigate the challenges faced when pursuing prosperity for their cities and towns. We empower our clients to grow and improve the quality of life for their residents through sound planning, financing, and management initiatives. We believe in the potential of every Texas city and town and exist to build vibrant and sustainable communities.

Public Management, Inc. is more than a consultant. We do more than grant management and offer much more than typical planning services. We help communities, big and small, in the pursuit of prosperity. Our team collectively has decades of experience managing over 1,000 projects for more than 225 cities and towns across the state and have secured over \$850 million during our 40-year history. With client funding ranging from \$10,000 to \$100 million, our people are equipped with the right tools and knowledge to ensure successful follow through of a community's goals.
