

**INSTRUCTIONS FOR
LICENSED SERVICE COMPANY SERVICE REPORT
COMMERCIAL WEIGHING OR MEASURING DEVICE
FORM NO. RWM-780**

SECTION A

1. PURPOSE

Mark the appropriate box and complete all applicable sections of this form as noted below:

- TDA Out-Of-Order Report(s) – Complete Sections B, C, D, E, and G when calibrating or repairing a device that was placed out-of-order by TDA.
- Replacement Device – Complete Sections B, C, E, and G when replacing a device with another of the same type/model for one that is being put out of service due to needed major overhaul or repairs.
- New Installation – Complete Sections B, C, E, and G when placing a commercial device into service for the first time at a new business location.
- Service/Repair – Complete Sections B, C, E, and G when calibrating or repairing a device, removing or replacing a security seal (lead wire/plastic/other) and/or performing any work that affects the accuracy of a device.

NOTE: A Licensed Service Company Service Report (RWM-780) is NOT required for the installation, placing into service, or maintenance of a non-commercial device, that is, a device that is not used for commercial transactions. A commercial transaction occurs when a weighing or measuring device is used in the purchase, sale, offer for purchase or sale, hire, award, barter, or exchange of a commodity or service.
